Fwd a brief history of this temple.

2. This is not a Murrai Instn, but a grant of Rs 8 has been sanctd for a period of 10 years from another temple. The temple has been taken under Govt management at the request of the Manager Mr Somanaghelly, who has been appointed by Dharmakarta during his life time. If Murrai Instn, theft of articles takes place, the archak or other persons who are responsible for the theft are made to recoup the cost of articles lost, in case the Police are unable to trace the culprits and bring them to book. In this case of the Sivaboondeshwara temple, the Police have not been able to trace the articles & so Govt cannot take any action. The Dharmakarta has to take such action as he deems fit.

3. If appd, the Commn from the Mug Commr may be rescinded, and an enquiry made as to what action it is proposed to be taken to replace the lost articles & what arrangts have been made to safeguard the temple properly.
